## PUBLIC WORKS COMMITTEE

The Public Works Committee of the City-County Council met on Thursday, January 20, 2005. Chairman Lonnell Conley called the meeting to order at 5:00 p.m., with the following members present: Patrice Abdullallah, Dane Mahern, Mary Moriarty Adams, Mike Speedy and Angela Mansfield. Absent were Jim Bradford and Scott Keller.

PROPOSAL NO. 33, 2005 - transfers the Indianapolis Fleet Services Division from the Department of Administration to the Department of Public Works

Jim Garrard, Director of Department of Public Works, (DPW) said that DPW is an operations based division and Fleets Services is also an operations based division; so it makes sense to pull Fleets Services from the Department of Administration (DOA) and places them in DPW and it would create a separate division in DPW. Mr. Garrard stated that nothing will change other than

Councillor Abdullallah moved, seconded by Councillor Mahern, to send Proposal No. 33, 2004 to the full Council with a "Do Pass" recommendation. The motion carried by a vote of 6-0.

### OTHER BUSINESS

Glen Pratt, citizen, stated that there are major problems with the algae growth in the reservoir. He stated that he is working with the City of Indianapolis and the Board of Waterworks trying to get a federal grant to address this problem, and he would appreciate the City-County Council's support.

Councillor Keller mentioned that he would like to place a flat bronze cemetery type marker between the sidewalk and the street where Officer Jacob Laird was killed. He stated that it does not require an ordinance from the Council but might need to be a resolution. Chairman Conley said that this may be something that the full Council may want to be involved with and it will be brought up again at the next full Council meeting.

### CONCLUSION

With no further business pending, and upon motion duly made, the Public Works Committee of the City-County Council was adjourned at 5:20 p.m.

Respectfully submitted,

Lonnell Conley, Chairman  
Public Works Committee
